The fees above are for all eight weeks of class.

**Discount Structure** - 5% off one class per session. Each additional class adds an additional 5%. There is no limit to the discount percentage. For example, if a primary dancer took all the classes offered they would receive a total of 30% (5% x 6 classes) off their tuition. This discount only applies if tuition is paid in full by the first day of each session. Partial payments can be made before the discount deadline. No discounts will apply after the first day of each session.
